Top Agents From Halstead Property Featured On Real Trends/Wall Street Journal Ranking

Halstead Property is proud to announce that a number of agents have been included on the prestigious Real Trends national ranking. Richard Orenstein, Brian Lewis and Louise Phillips Forbes were noted as Top Agents in the United States. This prestigious award ranks the top 1,000 agents in America into groups of 250 including Top Individuals by Sales Volume, Top Sales Professionals by Sides, Top Teams by Sides and Top Teams by Sales Volume.

"We are so proud of Richard Orenstein, Brian Lewis, and Louise Phillips Forbes for this outstanding national achievement and to our incredible agents who made the State lists. Each agent has showcased unwavering dedication to their business and to Halstead and we congratulate them on their well-deserved success," said Diane M. Ramirez, Chief Executive Officer and James M. Gricar, President of Halstead Property. "We are truly honored to work with such distinguished and talented agents. This is a wonderful achievement for our firm.

"In addition to the national list, many Halstead Property agents were included on the Real Trends State Ranking list. With a terrific showing in all three states, Halstead agents on the Top State lists include:

Teams:
-The Louise Phillips Forbes Team in New York
-The Harkov/Lewis Team in New York
-Gewirtz/Phillips Team (Amelia Gewirtz and Andrew Phillips)in New York
-The Hawes Team (Holly and David Hawes) in Connecticut
-**The Hudson Realty Group (Peter Cossio, Matt Brown, Clare Cossio and Lindsey Brown) in New Jersey**

REAL Trends ranks, collects and verifies all of the data in these reports to produce a completely unbiased and ethical report.
